

CONFERENCE INTRODUCTION

The 2023 5th International Conference on BioMedical Technology (ICBMT 2023) will be held in Da Nang, Vietnam on February 24-26, 2023.

The ICBMT is an international forum, which can provide a fantastic platform for researchers, scholars as well as experts to showcase their research results in the fields of Biomedical Informatics, Biomedical Engineering, Biomedical Research, Biomedical Science and so on.

The leading researchers, scholars and experts of the fields will be brought together to attend the international conference. We warmly welcome the prospective authors who are interested in the fields to submit their up-to-date and original research papers to the ICBMT 2023 Organizing Committee so as to share their valuable experience with the leading researchers, scholars as well as experts of the fields around the world.

PAPER PUBLICATION

International Journal of Engineering and Technology (IJET, ISBN: 1793-8236), which will be indexed by Chemical Abstracts Services (CAS), EBSCO, Google Scholar, Ulrich Periodicals Directory, Crossref, ProQuest, Index Copernicus, INSPEC, etc.

International Journal of Pharma Medicine and Biological Sciences (IJPMBS, ISSN: 2278-5221), which will be indexed by Embase, CNKI, ProQuest, etc.

IMPORTANT DATES

- Submission Deadline (full paper)----- December 30th, 2022
- Submission Deadline (abstract)-----January 05th, 2023
- Acceptance Notification-----January 15th, 2023
- Registration Deadline-----January 25th, 2023
- Conference Date-----February 24th-26th, 2023

SUBMISSION METHODS

- Channel 1-Submit via Online Submission System:
<http://confsys.iconf.org/submission/icbmt2023>
- Channel 2-Submit via Email:
icbmt@cbees.net

CALL FOR PAPERS

TOPICS:
Topics of interests include, but are not limited to the following:

- Bioinformatics and Computational Biology
- Protein structure, function and sequence analysis
- Protein interactions, docking and function
- Structural, functional and comparative genomics
- Gene engineering and protein engineering
- Computational evolutionary biology
- Drug design and computer aided diagnosis
- Biomedical Engineering
- Biomedical imaging, image processing & visualization
- Bioelectrical and neural engineering
- Biomedical devices, sensors, and artificial organs
- Health monitoring systems and wearable system
- Bio-signal processing and analysis
- Biometric and bio-measurement
- Biostatics
- Biophysics
- Biochemistry
-

CALL FOR INVITED SPEAKERS

The organizing committee cordially invites experts and young scholars in biomedical technology and other related research fields to attend the conference and deliver invited talks.

If you are interested, please submit a CV to the email address: icbmt@cbees.net for further review.
