

2024 6th International Conference on BioMedical Technology (ICBMT 2024)

February 23-25, 2024 | Ho Chi Minh, Vietnam

www.icbmt.org

CONFERENCE INTRODUCTION

The 2024 6th International Conference on BioMedical Technology (ICBMT 2024) will be held in Ho Chi Minh, Vietnam on February 23-25, 2024.

The ICBMT conference is an international forum, that can provide a fantastic platform for researchers, scholars as well as experts to showcase their research results in the fields of Biomedical Informatics, Biomedical Engineering, Biomedical Research, Biomedical Science and so on.

The leading researchers, scholars and experts of the fields will be brought together to attend the international conference. We warmly welcome the prospective authors who are interested in the fields to submit their up-to-date and original research papers to the ICBMT 2024 Organizing Committee so as to share their valuable experience with the leading researchers, scholars as well as experts of the fields around the world.

PAPER PUBLICATION

International Journal of Engineering and Technology (IJET, ISBN: 1793-8236), which will be indexed by Chemical Abstracts Services (CAS), EBSCO, Google Scholar, Ulrich Periodicals Directory, Crossref, ProQuest, Index Copernicus, INSPEC, etc.

International Journal of Pharma Medicine and Biological Sciences (IJPMBS, ISSN: 2278-5221), which will be indexed by Embase, CNKI, ProQuest, etc.

IMPORTANT DATES

- Submission Deadline (full paper)----- December 25th, 2023
- Submission Deadline (abstract)-----December 30th, 2023
- Acceptance Notification-----January 10th, 2023
- Registration Deadline-----January 20th, 2024
- Conference Date-----February 23th-25th, 2024

SUBMISSION METHODS

- Channel 1-Submit via Online Submission System:
<http://confsys.iconf.org/submission/icbmt2024>
- Channel 2-Submit via Email:
icbmt@cbees.net

CALL FOR PAPERS

TOPICS:

Topics of interests include, but are not limited to the following:

Bioinformatics and Computational Biology:
Protein structure, function and sequence analysis
Protein interactions, docking and function
Computational proteomics
DNA and RNA structure, function and sequence analysis
Gene regulation, expression, identification and network
Structural, functional and comparative genomics

Biomedical Engineering:
Biomedical imaging, image processing & visualization
Bioelectrical and neural engineering
Biomechanics and bio-transport
Methods and biology effects of NMR/CT/ECG technology
Biomedical devices, sensors, and artificial organs
.....

CALL FOR INVITED SPEAKERS

The organizing committee cordially invites experts and young scholars in biomedical technology and other related research fields to attend the conference and deliver invited talks.

If you are interested, please submit a CV to the email address: icbmt@cbees.net for further review.
